- 2) The 2 lowest rounds from your team Thursday-Sunday count toward your score.
- 3) All 4 rounds from your team Thursday-Sunday count toward your score. If your player missed the cut, use his worst score for Saturday & Sunday.
- 4) Your lowest score from Sunday counts toward your score again, for a total of 25 scores making up your score ($4 * 4 + 4 * 2 + 1$).
- 5) Lowest total score from the four days wins.
- 7) Payoffs will be determined by amount of entries and will be communicated.

TIE-BREAKERS

- Tie Breaker 1) Pick any golfer. Lowest tournament score between the players breaks the tie.
- Tie Breaker 2) Guess winning score for 2018 Masters. Closest without beating the score (e.g. If winning score is -5, a guess of -4 would win tie breaker over a guess of -6)
