# MASKERS

# 2020-the\_Wager

- 1) Pick 1 player from each of the 4 groups to make your squad. Players from lower groups may be used in higher roster slots. Players not listed may be used for any group.
- 2) All 4 rounds from your team on Thursday & Friday count toward your score.
- 3) The 2 lowest rounds from your team on Saturday count toward your score.
- 4) Your lowest round from Sunday counts twice.
- 5) **\*\*\*VACCINE ROUND\*\*\*** Your lowest individual round from the entire week counts.
- 6) A total of 13 rounds comprise your score (4 rounds Thursday + 4 rounds Friday + 2 rounds Saturday + 2 rounds Sunday + 1 **VACCINE ROUND**).
- 5) Your team must have at least 2 players make the cut. Any team with fewer than 2 players make the cut will be disqualified and banished to Wuhan.
- 6) Lowest total score from the four days wins the Green Jacket. Highest total score from the four days (including disqualified teams) wins the Ben Crenshaw Award and is at greater risk to succumb to COVID-19.

## 2020-tie\_BreakerS

1) if the 2020 Masters  
Champion is on your roster,  
you win.

2) most career major  
championships\_entire team

\*choosing a golfer who does not compete results in your **worst**  
**round scoring twice for Saturday and twice for Sunday**  
--->happens every year

\*roster moves are permitted at any point prior to the  
Ceremonial first tee by Player-Nicklaus
